

Tutankhamen

Tutankhamen was born in 1346 BC.

Tutankhamen was born at akhetaton which was the capital city of Egypt.

The most famous Egyptian pharaoh today is Tutankhamen.

By Ellie Clarke

Tutankhamen ruled for about 9 years and he died at the age of 18.

The reason that Tutankhamen is well known today is that his tomb, containing amazing treasures, was found early this century.
