Sacrificing A Warrior

By Emily McBurnie

Well done on reaching the high standards of becoming a priest. Becoming a priest has brilliant responsibility. You are being relied on by a lot of people because you are the one who does the daily sacrifice and you have a lot of power. Make sure you do it right to and make sure our people live on forever.

You will need:-

- A flint knife
- A sharpening stone
- Musicians
- A sacrificial stone
- A prisoner
- A temple

HOW TO SACRIFICE A WARRIOR

1. First, sharpen your flint knife whilst waiting for the warrior
2. Secondly, tell your servants to hold the warrior down on the altar.

3. Then stab the warrior from his neck to his belly button.
4. Next, rip out his heart and throw it into the sacrificial bowl.
5. After that, hurl chuck the dead warrior down the steps and wait for the sun to rise.
6. Finally share the warrior's flesh with the warrior who captured him.

Now you have read this set of instructions you are ready to do the daily sacrifice.
