

THE DAILY BACON

By Ollie While

NO BACON ON THIS VACATION

TRIPLE TROUBLE FROM THE PIGS

Yesterday a tragic event took place at a small town in Swine Ville. This morning, a violent wolf was sentenced to life in prison, after attempted murder on the Pigs.

The wolf's friends believed he was on holiday, when actually he was terrorizing the residents of Old MacDonald's farm.

**Porky
relived too to be
alive!**

An eye witness named as Humpty Dumpty saw a peculiar character lurking in the woods around old MacDonald's farm, while falling of a tree.

A message for all pigs. "Beware horrible people stroll this town".

The Wolf blow down the newly renovated house made of straw. (Pig 1 is pressing charges). Pig 1 ran to his bro's house. The same happened!

They fled to Porky 3's house. The wolf blows till he was blue in the face. He tried to go through the chimney.

However the quick thinking by the porkers saved the day.

"I was scared out of my skin, I'm just glad he's gone".

The Porky police later court the Wolf in action. "I'll huff and I'll Puff and I'll get you pigs". The Wolf is to later be in court. **FOR ATEMPTED MURDER!** If found guilty the big bad Wolf will be sentenced to life!
