## **NO RAIN ON THIS PARADE**

**Wroughton 3; Lainesmead 0  
Olly 30, Lewis 31, Drew 37.**

**Wroughton retained their unbeaten record after finally managing to crack a resilient Lainesmead defence.**

Heavy rain didn't deter either team from some attacking moves from the offset but the game quickly descended into a deadlock as neither side was able to put the ball in the net.

Some excellent goalkeeping kept Riegan and Jordan at bay and quick-thinking by Ben prevented an early upset for the home side. Jack played a solid first half in defence and Callum ensured that the ball kept being pushed back into their opponent's half.

The second half saw super-sub Drew take on the striking role and also witnessed a change in the pace of the

game. Wroughton began to pile on the pressure and midfield-maestro Lewis seemed to suddenly spring to life.

It wasn't long before the constant pressure paid off and Olly scored a crucial captain's goal at a pivotal moment in the game.

Lewis made it 2 almost straight from the restart as the passes started to connect and he was able to finish off a flowing move from the midfield.

The 3<sup>rd</sup> came after Callum thumped a thunderous long range effort against the bar enabling a quick-thinking Drew to pounce on the rebound and drill the ball home.

Another impressive victory for the home side with Jack's stoic defending and insightful passing earning him Man of the Match. The next fixture is a cup game away at St. Sampson's. Can Wroughton continue their winning streak?
